MEMORANDUM

TO: The Boston Redevelopment Authority

FROM: Edward J. Logue, Development Administrator

RE: PERSONNEL ACTIONS - SUMMER NEIGHBORHOOD SERVICE PROGRAM

Submitted separately for approval at this Meeting are contracts with Action for Boston Community Development to support a portion of the Washington Park Neighborhood Services Program.

The personnel roster for the portion of the Summer Neighborhood Services that will be completely funded by Action for Boston Community Development is contained in the attachments. These appointments will be for the time period and salary indicated in each attachment. All of the personnel listed in the rosters will be administered as functional units of the Development Program for the summer, although, they will be classified as contract employees since their salaries will be paid entirely from funds made available from the Office of Economic Opportunity. It is necessary that the attachments be made retroactive to ensure that personnel are paid for the period that they have already worked.
